The background of the slide features a faded image of a fire truck and firefighters. On the left, a firefighter in a white helmet and jacket is visible. In the center, a fire truck is shown with the words "FIRE-REScue" on its side. On the right, several firefighters in yellow gear are working near a fire, with bright orange flames and white smoke rising from the scene.

This week your apparatus continued the final assembly process. Next week it may complete final assembly and then begin the testing process. Once done, your apparatus will then continue through the quality process in preparation for your customer acceptance inspection. This is your last scheduled report.
