

Photo Album for Fitchburg Fire Department, WI Job 35149 November 13, 2020

This week your cab remained staged waiting for the chassis assembly while your body has completed content removal at Weyauwega. Next week the cab may remain staged while the chassis assembly may be built and the body may remain staged.

Due to the Thanksgiving break, the next scheduled report from Weyauwega is the week ending December 5, 2020
