

The background of the slide is a faded, semi-transparent image of a fire scene. On the left, a firefighter in a white helmet and gear is visible. In the center, another firefighter in a dark helmet with the number '42' is looking towards the camera. On the right, a red fire truck is parked, with 'FIRE-RESCUE' written on its side. In the bottom right corner, there is a small, bright image of a fire being extinguished by a hose.

# Photo Album for Fennimore Fire Dept., WI

Job # 35950

W/O # 27293370

June 19, 2021

This week the cab was in staging along with the pump house structure (no photos). The fire pump was in staging (no photos), and the body continued with fabrication. Next week the cab could begin the paint process and the chassis frame may arrive. The pump house structure should be in staging and the fire pump could begin to receive valves and plumbing. The body should finish with fabrication.
