

The background image is a composite of fire-related scenes. On the left, a firefighter in full gear is shown from the chest up, holding a hose. In the center, a firefighter's helmet with the number '42' is visible. On the right, a red fire truck is shown with 'FIRE-RESCUE' written on its side. At the bottom right, there is a scene of firefighters in yellow gear working near a fire. The entire image is semi-transparent to allow text to be overlaid.

Since the last report, the cab continued the paint process, and the pump house structure was in staging (no photos). The fire pump was in staging (no photos), and the body continued with fabrication. Next week the cab should finish the paint process and the chassis frame may arrive. The pump house structure should be in staging and the fire pump should begin to receive valves and plumbing. The body should finish with fabrication.
