

# Photo Album for Mineral Point Fire Department, WI Job 36161 November 19, 2021

In this report your cab and pump house were merged with the frame while the body completed paint, and the torque box is staged. In your next report, your chassis may continue assembly while the body may begin initial assembly, and the torque box is staged.

**Due to Pierce Thanksgiving Holiday break, your next report is scheduled for week ending December 04, 2021.**
