

The background of the slide is a faded, grayscale image of a fire scene. It shows a fire truck with "FIRE-RESCUE" written on its side. In the foreground, several firefighters in full protective gear are visible, some holding hoses. To the right, there is a large fire with thick smoke rising from it. The overall scene is one of active firefighting.

Photo Album for McFarland Fire and Rescue, WI Job 36382 April 15, 2022

In this report your cab and front body module were merged with the frame, the rear body started initial assembly, and the torque box and the aerial device sections remain staged with no photos. In your next report the torque box may be merged with the chassis while the rear body may continue initial assembly, and the aerial device may be staged with no photos until assembly begins.
