

The background of the slide is a composite image. On the left, a firefighter in full gear is shown from the chest up, holding a white fire hose. In the center, a firefighter wearing a helmet with the number '42' is smiling. On the right, a red fire truck is visible with 'FIRE-RESCUE' written on its side. The bottom right corner features a graphic of a fire with flames and a white fire hydrant.

Your new Pierce apparatus is now in production at the Bradenton, FL facility. This week the body began fabrication. Next week the chassis may arrive, and the pump house structure could begin fabrication. The fire pump could arrive, and the body should continue with fabrication.
