## **FOR IMMEDIATE RELEASE**

### **Reliant Fire Apparatus Named Authorized Oshkosh Airport Products Sales, Parts, and Service Provider for Wisconsin and Iowa**

Reliant Fire Apparatus, a leading provider of fire and emergency apparatus and services, is proud to announce its appointment as the authorized sales, parts, and service provider for Oshkosh Airport Products in the states of Wisconsin and Iowa. This strategic partnership expands Reliant Fire Apparatus's commitment to now deliver top-tier solutions and support to airport fire departments and emergency response teams throughout the region.

Oshkosh Airport Products, a division of Oshkosh Corporation, is renowned for its industry-leading Airport Rescue and Fire Fighting (ARFF) vehicles, known for their innovative technology, exceptional performance, and unwavering reliability. By becoming an authorized provider, Reliant Fire Apparatus will offer comprehensive sales, parts, and service support for the full range of Oshkosh ARFF vehicles, ensuring that airports in Wisconsin and Iowa have access to the best-in-class equipment and expertise.

"We are thrilled to partner with Oshkosh Airport Products and expand our services to include their exceptional line of ARFF vehicles," said Brett Krueger, Chief Executive Officer at Reliant Fire Apparatus. "This collaboration allows us to further enhance our commitment to public safety by providing airports in Wisconsin and Iowa with the highest quality equipment and unparalleled support."

"We are confident that Reliant Fire Apparatus's established reputation for excellent customer service and technical expertise makes them an ideal partner to represent Oshkosh Airport Products," said Dewain Gilbert, Customer Support Manager, at Oshkosh Airport Products. "This partnership will strengthen our ability to serve our customers in Wisconsin and Iowa and ensure they have access to the support they need."

Reliant Fire Apparatus is committed to providing exceptional service and support to its customers, and this new partnership with Oshkosh Airport Products further solidifies that commitment.

Oshkosh Airport Products will now collaborate with Reliant on sales and direct all parts and service inquiries to Reliant Fire Apparatus. We are excited to serve new and existing Oshkosh ARFF customers to the fullest of our capabilities.

Sincerely,

A handwritten signature in cursive script that reads "Jason S. Krueger".
