**FOR IMMEDIATE RELEASE**

## **Reliant Fire Apparatus Expands Reach to Michigan**

**Slinger, WI – June 12, 2025** – Reliant Fire Apparatus today announced the acquisition of Halt Fire, Inc. of Wixom, Michigan. This marks an exciting new chapter for Reliant, allowing growth of Reliant's team and extending Reliant's commitment to serving the fire industry.

The acquisition aligns with Reliant's long-term vision for growth and dedication to providing comprehensive solutions to fire departments and emergency responders. By integrating Halt Fire's team, Reliant will now offer a broader range of support to customers in the state of Michigan.

"We are thrilled to welcome the Halt Fire team into the Reliant family," said Brett Krueger, CEO of Reliant Fire Apparatus. "Their reputation and deep understanding of the fire industry makes them an invaluable addition. This growth allows us to not only expand our geographical footprint but also enhance the support we can provide to fire departments in the state of Michigan, ensuring their apparatus are always ready to respond."

Jason Krueger, President of Reliant Fire Apparatus, echoed this sentiment, stating, "This is a significant step forward for Reliant. Halt Fire's commitment to customer satisfaction mirrors our own, and we are confident that together, we will be able to provide unparalleled service and support to even more communities."

Bryan Krueger, Vice President of Reliant Fire Apparatus, added, "We are incredibly excited about the synergy created and we eagerly anticipate the opportunities this expansion will bring."

Todd Lincoln, President of Halt Fire, also expressed enthusiasm about the acquisition. "Joining forces with Reliant Fire Apparatus is a fantastic opportunity for Halt Fire and our team. Reliant's strong reputation and commitment to quality align perfectly with our team's values. We are excited to become part of a larger organization that shares our passion for serving the fire industry and our team looks forward to contributing to their continued success."

The integration of Halt Fire into Reliant Fire Apparatus will begin immediately, with a focus on ensuring a seamless transition for both teams and customers. Reliant is committed to maintaining the high standards of both companies and looks forward to the positive impact this acquisition will have on the fire service community in the state of Michigan.

Operations will continue at the following location for sales, service, and aftermarket support. Following the announcement individual customers will be contacted for direct follow-up to any questions regarding this transition.
