

The background of the slide features a composite image. On the left, a firefighter in full gear, including a helmet and gloves, is shown from the chest up, holding a piece of equipment. On the right, a red fire truck is visible with the words "FIRE-RESCUE" printed on its side. The entire background is semi-transparent, allowing the text to be clearly legible.

This week the chassis continued with chassis prep and the body was in staging (no photos).

Next week the chassis should continue with chassis prep and the body could be mounted.

A smaller, semi-transparent image in the bottom right corner shows several firefighters in yellow gear working to extinguish a large fire. One firefighter is using a hose to spray water onto the flames, which are bright orange and yellow. A fire truck is partially visible in the background of this scene.
