FOR IMMEDIATE RELEASE

Reliant Expands Territory to Serve the State of Wisconsin

Reliant is excited to announce the expansion of its territory to encompass the entire state of Wisconsin for **Pierce Manufacturing**. This reinforces Reliant's commitment to providing exceptional products and services to fire departments, emergency services, and public safety agencies throughout the state of Wisconsin.

With this expansion, Reliant will now offer all Pierce products, parts, and services to customers throughout Wisconsin. Our team provides top-quality products, expert service, and unwavering support to our customers. This expansion allows us to further strengthen current and build new relationships with fire departments and emergency services agencies throughout the state.

Reliant's expanded territory in Wisconsin will be supported by a team of experienced professionals who are committed to delivering exceptional customer service. We will continue to invest in infrastructure and resources to ensure that customers receive timely and efficient sales and service support. We are committed to strengthening and building upon existing relationships within the state to ensure that all customers receive the highest level of sales and aftermarket support to protect communities within Wisconsin.

Reliant Fire Apparatus' mission is to provide superior products and service to our customers and develop long-term relationships which will lead to continued customer satisfaction, and in doing so will establish and maintain our customer's and Reliant's continued long-term success.

We are excited for the opportunity to develop new relationships and are humbled by this opportunity to serve you, your community, and the state of Wisconsin.
